JET & Acorn Supporter Information

Unlock Potential

“

JET is vital. It's a bit like a bolt in the steel girders. If you take out the bolt, the rest might support the structure, but it would be a bit wonky and over time it may end up collapsing.

Training

Sponsor an Internship

For many, traditional recruitment processes can be a barrier. Internships offer a transformative opportunity to bridge that gap. By sponsoring an internship, you're giving someone the chance to shine and to prove their abilities in a real-world setting. On average, a three-month internship costs £4,000. Your sponsorship could change the course of someone's life, helping them gain the confidence, experience and skills needed to thrive in the workplace.

Events

Go Nuts for Acorn

The second Squirrel Scurry, sponsored by TMF, will be held on Saturday 25 April, in aid of Acorn Enterprises and the Lowes Legacy Fund.

Dress as a squirrel for a one-mile scurry around the Waterfront!

The event is in memory of Dean Lowe, who went nuts for Acorn by completing the Virtual London Marathon in 2023, wearing squirrel accessories. If you can't join on the day, maybe you could organise your own 'Go nuts for Acorn' event at your place of work, school, community or club.

Contact georgia.hodgson@jet.co.je, or sign up at: tinyurl.com/GoNuts26

In 2026, the third JET Jaunt will see Jaunters race from St Malo to Rome, with checkpoints and challenges along the way. Inspired by the TV programme Race Across the World, the Jaunt is sponsored by CSC, Coop Mobile, All Island Media and Ports of Jersey.

The race is on from 10 to 13 September 2026.

Please email jaunt@jet.co.je to find out more, or scan the QR code.

Pronti, Partenza, Via!

* 2022 figures data based on government figures for a single person in a bedsit.
♦ Based on government average weekly wage per industry sector.
▲ Based on 2022 annual report data of JET having supported 284 individuals.

How you can support us

fundraising@jet.co.je

Your involvement, no matter how big or small, can help us provide the resources, training and guidance that people need to build brighter, more independent futures.

Donate here:

Donate or Fundraise:

Choose JET or Acorn Enterprises as your nominated charity or nominate us for payroll giving. Organise your own fundraising event or set yourself a challenge to raise money for a cause that's transforming lives.

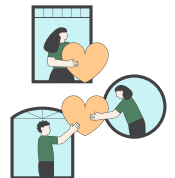

Partner With Us:

If you're a business, you can help by providing employment opportunities, offering training, or mentoring a young person. Your commitment could help someone take the first step toward a fulfilling career.

Volunteer Your Time:

Whether you're lending your expertise and skills or giving a few hours to support our events, your time is an invaluable resource to us and to the people whose lives we touch. Get in touch to discuss how we could work together.

Raise Awareness:

Spread the word about the work JET does in your industry or network. The more people who understand our mission, the more opportunities we can create.

Shopping:

1 When shopping online (Amazon and dozens of other retailers) go via [easyfundraising.co.uk](https://www.easyfundraising.co.uk) and you can raise a few extra pennies each time, at no extra cost to you. It really is easy and it's free! Just name Acorn Enterprises as your chosen charity.

2 Locally, please use Acorn's Co-op share number 378 103.

3 Acorn has an Amazon Wishlist where you can purchase small items such as tools, craft supplies and equipment, all of which directly help our workshops at Acorn. You can see it here: <https://amzn.eu/7ct4fRv>

Plant Nursery:

Buy our plants! A huge range of quality plants, shrubs and herbs year-round.

Buy logs, kindling and briquettes from the Woodshack. We make kindling and briquettes from the Island's waste timber.

The JET Ambassador programme has been set up in memory of our dear late colleague Dean Lowe. We described him as JET's greatest ambassador and this is already proving to be a fitting legacy: To have Ambassadors who share the passion for what we do, to create long-term change in the employment landscape and shift perspectives to build truly diverse and inclusive workplaces.
